Dear Friends,

Fusion Resort Nha Trang becomes Fusion Resort Cam Ranh

They said it couldn't be done, but in search of slightly warmer weather, we've moved our entire resort 50 kilometers southwards down the beach, taking us from Nha Trang to Cam Ranh.

We're joking, of course. Fusion Resort Nha Trang is still where it always was and is still the only all-spa inclusive, "Breakfast Anywhere, Anytime" resort in the area. We're simply changing its name to Fusion Resort Cam Ranh.

"But why?" you ask. Well, since Fusion Resort Nha Trang first opened its doors in 2015, a lot has changed - in the resort, in Khanh Hoa Province, and in Vietnam as a whole. While Nha Trang was once the most famous holiday destination in the region, its neighbor, Cam Ranh (now home of the international airport), has since become just as popular, synonymous with elegance, understated luxury, premium hospitality, breathtaking scenery, and world-class, five-star resorts. And as you may know, that's exactly what we specialize in here at Fusion.

To be honest, the name change is long overdue - we're actually closer to Cam Ranh than Nha Trang and only ten minutes from the international airport - but with a host of exciting new accommodation, dining, and wellness options on the way, now is the perfect time to unveil Fusion Resort Cam Ranh, located (as it always has been) on Cam Ranh's secluded northern peninsular.

With the shimmering ocean on our doorstep and the Thuy Trieu Lagoon out back, coupled with our lofty perch atop a 28 meter-high sand dune, Fusion Resort Cam Ranh enjoys cool ocean breezes, stunning ocean views, and sedate spa-fueled solitude on the pristine shores of Long Beach.

Offering a range of spacious suites and private pool villas (with more on the way in 2018), plus Fusion's unique approach to design, wellbeing, and five-star service that thoroughly brushes away the cobwebs of tradition and formality, Fusion Resort Cam Ranh is great for honeymooners, couples, groups of friends, and families alike.

As with all Fusion Resorts, daily spa treatments and wellness actives such as yoga and tai chi are all-inclusive, and with a kids club and dedicated splash pool and play area, plus our convenient child-minder service, all of our guests are able to fully incorporate the Fusion lifestyle into their daily routine. Re-energize, revitalize, get fit, get active and get healthy. No excuses!

We look forward to welcoming you to Fusion Resort Cam Ranh very soon. Of course, should you have any questions or concerns about current or future bookings, please do not hesitate to contact us.

That's all for now, but stay tuned for more exciting announcements from Fusion Resort Cam Ranh. There's some really cool stuff on the way!

Best wishes,

Ramon Imper
